*** Classic Iron Fence * (5 FT HIGH)**

\$399.00

This is our best selling fence.

We've sold it to many city parks, churches, commercial and private properties, even Disney purchased it for a display at Epcot.

It is solid iron , measuring 7 feet in length , 4 feet in height and weighing a hefty 110 lbs per section. This fence is such a favorite that we used the same design in our porch / deck railing.

As you can see from the pictures, it adds an elegance and beauty to any home.
